Inaccurate Mailers Sent to Voters from NCGOP

Wayne County, NC – Yesterday, the Wayne County Board of Elections received numerous inquiries from voters in Wayne County who are confused by mailers that include inaccurate information regarding early voting locations and times for the midterm election.

The mailers were sent from the North Carolina GOP (NCGOP) and have a sample ballot on one side and an early voting schedule on the other side. The locations and times for the early voting schedule are inaccurate and reflect the 2020 general election rather than the current election.

Wayne County early voting site locations for the midterm election include:

- The Maxwell Center – 3114 Wayne Memorial Dr. Goldsboro, NC 27534
- The Wayne County Public Library – 1001 East Ash St. Goldsboro, NC 27530
- The Mount Olive Train Depot – 110 West Main St. Mount Olive, NC 28365

Early voting began on Thursday, October 20, and runs through Saturday, November 5. Weekday hours for all sites are 8:00am - 7:30pm with Saturday, October 22, and Saturday, October 29 hours from 9:00am – 3:00pm and Sunday, October 23, and Sunday, October 30 hours from 1:00pm – 4:00pm. Early voting ends on Saturday, November 5 with voting hours from 8:00am – 3:00pm.

The Wayne County Board of Elections reminds all voters to get accurate information about elections from state and county election officials. Please visit the Wayne County Board of Elections website at www.waynegov.com or call 919.731.1411 for more information.
