- Registered voter eligible to participate in the protested election contest
- Neither of the above*

**If you select this option, you are not eligible to file a protest.*

PROTEST SCOPE

4. List all election contests subject to your protest and calculate the margin of votes separating the apparent winner from the runner-up as of the date of filing. Your response does not waive your right to contest the validity of the current vote count. If your protest concerns all contests on the ballot, you must include the vote margin for each contest.

Protested Contest(s)	Current Vote Margin (subtract runner-up totals from apparent winner's totals)
<i>Example: Mayor of Townsville</i>	<i>75</i>
Chief Justice of the Supreme Court of North Carolina	<i>842 as of 10:22 a.m. on November 12, 2020</i>
North Carolina Attorney General	<i>13,748 as of 10:22 a.m. on November 12, 2020</i>

5. This protest alleges (*select at least one*):

- X A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.
- X A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

North Carolina law requires that election protests concerning the manner in which votes were counted or results tabulated to be filed "before the beginning of the county board of election's canvass meeting." Due to, *inter alia*, the increased number of absentee by mail ("ABM") ballots this year and the State Board of Elections' ("SBOE") decision to allow counties to approve ABMs the day before canvass, candidates are unable to know details about the election results prior to canvass. This protest is being filed in good faith to bring before the Board the violation of election law or other irregularity or misconduct described herein which the Protestor believes, based on the information reasonably available to the protestor at the time of submission of this protest, may be sufficient to cast doubt on the apparent results of the election.

This protest concerns absentee by mail ballots which have been inappropriately approved and tabulated by the Duplin County Board of Elections ("County Board") that fall into the following categories: First, it appears that ABM ballots received after the statutory deadline for the receipt of such ballots of November 6, 2020 ("Statutory Receipt Deadline") may have been approved by the County Board and added to the vote count.

Second, it appears that ABM ballots received after November 3, 2020 without a postmark stamped by the United States Postal Service ("Statutory Postmark Requirement") were approved by the County Board and added to the vote count.

The Duplin County Board of Elections is in possession of information regarding ballots that violated the Statutory Receipt Deadline and the Statutory Postmark Requirement.

Third, it appears that at least approximately 44 ABM ballots contained in envelopes that do not meet statutory requirements for such ballots ("Noncompliant ABM Votes") were approved by the County Board. The deficiencies range among issues such as, no witness signature, no voter signature, no assistant signature, deficient witness addresses, among others. Information about specific votes can be produced upon request. Because of time limitations and constraints on the County Board of Elections, a review and identification of all deficiencies with ABM Votes may not have been possible. The Protestor reserves the right to modify or supplement this protest as additional information becomes available.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge

a Protestor may call as witnesses certain members and staff of the County Board who participated in or observed the decisions to count the noncompliant ballots. Protestor may call members or staff of the State Board of Elections who also participated in or offered guidance relevant to the decisions to count the noncompliant ballots. The Protestor may call Dalton Temple, who managed the review of ABM ballots referred to in this protest. Protestor may also rely upon the individuals who reviewed the ABM envelopes. A list of such individuals can be produced upon request.

8. Cite any statute or case, administrative rule or decisions, and election policy or procedure that supports your claim set out under Prompt 5.

U.S. Constitution, 14th Amendment (Equal Protection Clause);
U.S. Constitution, Art. I, §4;
N.C. Constitution, Art. I, § 19;
N.C. Gen. Stat. § 163-231(a)(1)–(6)
N.C. Gen. Stat. § 163(b)(1) and (b)(2)b; and
Orders of the Court in *Democracy NC v. N.C. State Board of Elections*, No. 20CV457 (MDNC (2020)).

RELIEF

9. What effect do you believe the facts alleged in response to Prompt 6, if proven, will have on the electoral outcome in the protested contest(s)? Your response should account for the current vote margin calculated in response to Prompt 4.

- The electoral outcome of the protested contest(s) will change.
- The electoral outcome of the protested contest(s) will not change.
- I am uncertain whether the outcome of the contest(s) will change.
- Other _____

The outcome of this protest will change the vote totals for the protested elections. Given that canvass has not occurred yet, it is uncertain whether the outcome of the protest will change the identity of who wins the protested elections. Protestor reserves the right to supplement this answer as additional information comes available from the state and county boards of election.
